Respected Sir,

I have the honour to bring to your kind notice the question of free allowance of water admissable to this Mansion

As per G O No M 263-68 dated 1-9-'35 a free allowance of 1,00,000 gallons of water, per month, was fixed for this Mansion but subsequently it was reduced to 13,500 gallons per month, as per G O No L I/M1 70-38 dated 30-5-39

It is needless for me to state that this reduced allowance is most inadequate even for domestic use only of such a big Mansion and positively it is disproportionate to the rental value of the Mansion In this respect the Mansion has been treated as any other private bungalow in the city

In view of several heavy taxes to which the Mansion is now subjected, I have the honour to request that the said G O may kindly be reconsidered and that free allowance, ordered to be restored to its original quantity viz 1,00,000 gallons per month

(1) Mansion Tax	576-0-0 per year
(2) Water Tax	213-12-0 per quarter
(3) Light Tax about 250/- per month	3000-0-0 per year
Total Rs	3789-12-0
in round figures	3800/-

Sir,

With reference to correspondence ending with letter no L 3146 Dated 25th October 1941 from the Secretary to the Governement (Law Department) regarding increase in quantity of free allowance of water to Cheluvamba Vilas Mansion, I have the honour to state that the mansion under reference is assess to a Rental Value of Rs 6000/- and up to end of June 1939, the mansion was being charged on flat water rate at Rs 300/- per year and as per Government Notification No L 1/1 L 79/38/30-5-1939 the connection was metered According to the rules approved by Government and embodied in the said notification (extracted in the margin), the mansion is entitled to a maximum free allowance of 12,000 gallons per month In addition to this a quantity of 1500 gallons is being given towards a maximum of two flush latrines at 750 gallons per flush latrine per month

"K"

" For every one rupee of the annual rental value of the house or premises, the authorised free allowance per year shall be 200 gallons, but in no case shall such free allowance be less than 3000 gallons per month or more than 12,000 gallons per month In the case of houses containing flushing latrines however an additional free allowance of 750 gallons per month shall be allowed in respect of each such latrine, provided that the concession shall not apply to more than two such latrines in a single house or premises In calculating the monthly free allowance to be given in accordance with this rule fraction of a gallon shall be omitted

P T O

Thus the total quantity of free allowance given to the mansion is 13,500 gallons per month, as per Rules. As regards the consumption and excess water charges the Mansion is paying every quarter, a statement is furnished herewith for your kind information
